

2. MY EYES WEEP

George Zmomez/Marcel Zmomez
English text Buddy Axley, Jan Talafant & George Zmomez

My eyes weep, as my spirit asks
How to proclaim the King and complete the task
For this world of sin
He arose in love on the third day
Being sent to the Cross, to provide the way
We'll go to the ends of the earth in His Name,
With the call of salvation
He said, Go make this great proclamation
Bearing all burden of sin the Prince of Peace

aaaaaaaaaaaaaaaaaaaaaaaaaaaa

So why does the dark world sleep

aaaaaaaaaaaaaaaa

While it is possible to live in brotherly love,
In truth and peace.

He came to us as the Messiah and King
I'm committed for life, to me He's everything.

aaaaaaaaaaaaaaaaaaaaaaaaaaaa

In Him the salvation plan is seen.

aaaaaaaaaaaaaaaaaaaa

When Jesus came, He knew
All would end on the Cross
That all of our sins, He'd wash

Who of us is clean, so clean
That our shame, He would not bear
How can one fight with pride
And sin that is so deep inside
But He paid the price and defeated it
On Calvary.

Oh, this is the message that you should believe
He shed His precious blood, this King of Love
King of Love
