

3. THIS LOVE WILL BE WITH YOU, FOREVER

George Zmозek/Marcel Zmозek

English text Buddy Axley, Jan Talafant & George Zmозek

Jews:

Blaspheming, blaspheming, blaspheming us,
Blaspheming, blaspheming, causes this fuss
Take him away, this lying scoundrel

We are faithful Jews

Go away to the council

They will judge all of

Your blasphemy and heresy, we only trust the Pharisee

Blaspheming, blaspheming, blaspheming us,
blaspheming, blaspheming, causes this fuss

Stephen:

I knew what I had from the start

His love, this promised love will not depart my heart

I knew what I had from the start

It is more

Then what I had in my heart before

His great love, His beautiful great love

He did give to us

Will us, forever, sustain

This faith and love
Will in our hearts, remain

Duet St & Christina:

You judge me, wrongly
You judge me, wrongly
And resist me, strongly
There's no love, for me,

Stephen:

I want only peace
And only desire harmony
Listen, listen to me!
I beg you people, listen to me
I'll not fight you
You're not my enemies only my friends
I'll not fight you
Even if this leads us, to our end

Duet St & Christina:

Thanks for Your love, thanks for Your faith

Thanks for Your love, thanks for Your strength

Stephen:

I'll not fight you

You're not my enemies, only my friends

Jews: Blaspheming, blaspheming, blaspheming us

Stephen: I'll not fight you, No, I'll not fight you

Jews: Blaspheming, blaspheming, blaspheming us

Stephen: I want peace, I want peace; Only peace!

Jews: (Blaspheming, blaspheming)
