

## 4. YOU, YES, TO YOU

George Zmozeck/Marcel Zmozeck

English text Buddy Axley, Jan Talafant & George Zmozeck

To you, yes, to you

This my testimony, I now give to you

Even in the times of our fathers

The promise by our God of something new

To you, yes, to you as the sons of Abraham, Oh yes, to you

And all who have the ears to hear what I say

That even you, the council, need to see the way

Oh, how, how could all of this be coming

From His true love

By His great love, from above

From His great love, on the cross

Suffered loss, upon the cross

Shed His blood, upon this cross

So to free every man from sin

What evil did He do to you

aaaaaaaaaaaaaaaaaaaaa

Why did you condemn Him there?

aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

Pilate freed the murderer, but Jesus Christ, he did not spare

aaa

And now, I'm standing here before you

aaaaaaaaaaaa

With this Godly love, I swear

That He is the Holy Lamb of God  
Innocent of any guilt, the spotless  
Holy, One of God  
King of Love, Prince of Peace  
Long ago, ages past and so long ago, God gave His Sacrifice

aaa

By the Father's love, through Jesus Christ

By our Lord alone, did Father bring

Our Lord, came to us as the loving King

What evil did He do to you?

Why did you condemn Him, there?

Pilate freed the murderer, but Jesus Christ, he did not spare

And now I'm standing here before you

With this Godly love, I swear

That He, is the Holy Lamb of God

Innocent of any guilt, the spotless

Holy One of God

King of Love, Prince of Peace

Long ago, ages past and so long ago, God gave His sacrifice

By the Father's love, through Jesus Christ

By our Lord alone, did Father bring

Our Lord came to us as the loving King

The Righteous One is He, given for you and for me

Gracious giver of this life

So free

Salvation on the cross for you and for me

For all of us

For us, through His Holy blood

His Holy, His Holy

His Holy blood

Can save you, even you

Can save even you.
