### *Jewish choir*

Now that's enough, no more of this stuff  
Hold back these rumors that you say  
Do not waste your breath, you unwelcomed guest  
These games that you play, we don't play.  
Even we have a temple, even we have a law  
Yes, given by Moses, without even a small flaw  
And you will be stoned for breaking this great old-time law.  
Any Greek, any Gentile  
Here could begin trouble, starting at any moment.  
Now that's enough, no more of this stuff!  
How dare you speak this trash, buddy!  
So get out of here, because you should fear.  
You will be stoned, It'll be bloody!  
How dare you, in the council, as you are standing here,  
Just showing us no respect, speaking this lying smear.  
You ignorant, dumb fool,  
Your life is at a big risk.  
No faithful Hebrew son, would  
never, ever, dare to give counsel to the council.  
Get out of our sight!  
Get rid of him!  
Get out of our sight!  
Get rid of him!  
Get rid of him!
