

9. THESE FEW DAYS

George Zmозek/Marcel Zmозek

English text Buddy Axley, Jan Talafant & George Zmозek

Ananias:

He, Himself, has sent me with good news for you

He's your Lord, already. You know that it's true

He, Himself has sent me, it is from above

Proclaim only His love, nothing but His love

Ananias, Christina and choir:

Now your eyes will brighten, you will see again.

His faithful love is coming, the salvation plan

It will not be easy, but you're not alone

He is always with you, your King and Lord.

Saul:

These few days are like a dream

Are things really as they seem.

I cannot tell night from day.

His mercy seems so far away.

These few days, while I don't see

I will stay bowed down on my knees

I envy those who can see

Just any time, it could be

My salvation time, salvation time

When again, I will see

When this darkness goes from me, I will see
I will see to go forth and proclaim
Thanks to God for what I saw
The light on the Damascus road
On that day, while on the way, I kicked the goad
Against those whom He loved,
The One to whom I now belong, He took me by His hand
When He forgave me, the King of Love.

Choir:

He's the Gentle Shepherd
Meekest King of love
He is like a kind word
This King of Love, this King of Love
He is like, secure arms
Meekest King of love
Gentle Prince of Peace
The King of Love, the King of Love

Solo:

He's a soothing balm
A lovely flower, so sweet a calm

Choir:

He's our everything
Our loving King, our loving King

Solo:

He's a soothing balm

A lovely flower, so sweet a calm

Choir:

He's our everything

Our loving King, our loving King

He's our everything

Our loving King, our loving King

He's our Everything

Our loving King, our loving King
