

11. LISTEN, PEOPLE (Paul's message 1)

English text Buddy Axley, Jan Talafant & George ZmozeK

Listen, people

The heart should be very open

Listen, people

Everyone who doesn't reject love

Is fulfilling the ancient law from above

This new law, that Jesus brought

Believe Him, that's the thought

Suddenly, everything's brand new

I felt His Spirit, come in power

I felt so wonderfully new

When my hard heart, fell from it's high tower

Then my Lord gave me, there,

the revelation in my heart

That if I would repent, blessings would flow,

and that this fresh Water of Life would start

It happened near to Damascus

Right there! Near the gates of the city

The Lord confronted me

With the sword of His word,

Struck my heart and set me free

And then my heart was new

But then in Damascus

It was there, I knew

That He loved me, so true

Just there in Damascus, I finally knew
So the blind see and the lame walk

aaaaaaaaaaaaaaaaaaaaaaaaa

And salvation is preached to the poor

aaaaaaaaaaaaaaaaaaaaaaaaa

About this, Jesus talked

aaaaaaaaaaaaaaaaaaaaa

This message, with them went

aaaaaaaaaaaaaaaaaaaaaaaaa

To us it was sent

aaaaaaaaaaaaaaaaaaaaa

And to us it was given

So the blind see, and the lame walk

aaaaaaaaaaaaaaaaaaaaaaaaa

And salvation is preached to the poor

aaaaaaaaaaaaaaaaaaaaaaaaa

About this, Jesus talked

aaaaaaaaaaaaaaaaaaaaa

This message, with them went

aaaaaaaaaaaaaaaaaaaaaat

To us it was sent

aaaaaaaaaaaaaaaaaaaaa

And to us it was given

It was given to us by the Lord

This message from Jesus, Repent!
