

13. JUST AFTER THIRTY-THREE YEARS

George Zmozek/Marcel Zmozek

English text Buddy Axley, Jan Talafant & George Zmozek

Just after thirty-three years,

Just in three days, a glorious victory

That brought salvation by love,

Also, together with joy and peace.

Just after thirty-three years, You paved the way for all eternity.

In Your suffering and Your pain, and victory

brought light to shadows

Just after thirty-three years,

This great message is carved in stone,

That Your flame of love, forever burns,

I'll not be alone.

For Your love, I would be reduced to dust.

In You, I'll always trust.

So I have no fear, because it's clear.

Your hope keeps me, so I can hear

Yes, [it is coming](#)

[The time of love](#)

[When angels, who are friends from heaven, all rejoice](#)

[Holy angels, sent from God,](#)

[Are sent to comfort the troubled and lost and last](#)

While I'm in Your loving arms, Your presence and Your kindness Is my
safe Refuge and gives to me, this faithful trust

You gently say, that I love you

So, [it is coming](#)

[The time of love](#)

When angels, who are friends from heaven, all rejoice

Holy angels, sent from God,

are sent to comfort the troubled and lost and last

While I'm in Your loving arms, Your presence and Your kindness Is my
safe Refuge and gives to me, this faithful trust

You gently say, that I love you, that I love you

My love

aaaaaaaaaaaaaaaaaaaaa

I will never change My love.

aaaaaaaaaaaaaaaaaaaaa

While I'm in Your loving arms, Your presence and Your kindness Is my
safe Refuge and gives to me, this faithful trust

You gently say, that I love you, that I love you

My love

I will never change My love

While I'm in Your loving arms, Your presence and Your kindness Is my
safe Refuge and gives to me, this faithful trust

You gently say, that I love you, that I love you

My love

I will never change My love

While I'm in Your loving arms, Your presence and Your kindness Is my
