

## 14. CONFLICT

George Zmozeck/Marcel Zmozeck

English text Buddy Axley, Jan Talafant & George Zmozeck

### Verse 1 - choir A:

Gone from here is the peace that we had.  
All that was Good, good,  
good, that freedom was not so bad.  
We don't know  
what to do any more  
It's not the  
same, same, same, as it was here, before  
Good, good, good, are all the old things we love.  
We will destroy this stuff, using our sabotage.  
We tell you: Leave, leave, leave, so that all will be calm.  
We want to sing our old song

### Verse 2 - choir B:

We see different things  
That he brings  
Not as it appears, no tears, tears, tears, tears.  
But His power of love,  
We believe  
So that he brings, brings, this good news  
We want to sing our new song.
