

15. Listen, people - part II.

English text Buddy Axley, Jan Talafant & George Zmozek

Listen, people,

One day this Word, for worker and boss,

It will not speak of anything else, but only the cross.

The Lord, from now on, I will be preaching.

No other subject could I be teaching.

Now, I will preach only the cross.

I know then I'll face prison bars.

Hear what I preach to you now, here

Tear down your castles in the air, so you fill up your empty houses.

Get out of your rotten castles, ruined by pride.

But, there is a truth, well known so that many people grieve

Because of their fear and their shame, leave the narrow gate alone.

Refrain:

So the blind see, and the lame walk,

aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

And salvation is preached to the poor.

aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

About this Jesus talked,

aaaaaaaaaaaaaaaaaaaaaaaa

This message, with them went.

aaaaaaaaaaaaaaaaaaaaaaaa

To us it was sent, and to us it was given.

So the blind see, and the lame walk,

aaaaaaaaaaaaaaaaaaaaaaaa

And salvation is preached to the poor.

aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

About this Jesus talked, this message, with them went.

aa

To us it was sent, and to us it was given.

I know I bore some of you, many offenses, I give to you.

Someday, every knee will bow, for sure!

Even of the ones who proclaim: We're not that poor!

This is my commission, to give you His invitation.

The King of Love, this Holy King of Love

The Lamb of Grace, this Holy King of Love

The Lamb of Grace and resurrection!

The Lamb of Grace and His salvation!

The Lamb of Grace, gives His invitation!
