George Zmозek/Marcel Zmозek

English text Buddy Axley, Jan Talafant & George Zmозek

### Demas

I am here to take charge of all the rest  
Since my power, is a super-duper guarantee  
Once I was Saul's pupil, the very best  
The course of least resistance is always found in me

### Council & Demas

We will chase after Paul, so there'll be peace  
So that this plague will stop and  
These dogs will come to an end  
We'll chase him from Damascus, Let's go!  
To protect our temple from this awful foe

### Demas

Give me permission, with soldiers and sword  
It will take this force to overthrow this wild hoard.  
They confuse people with all of these things.  
This could cost us our heads, because Herod is king!

### Together:

So cheer us on  
As we destroy this voice,  
For in the holy temple,  
There is only one choice  
To destroy these fables, immediately  
So that one voice is heard in pure unity

### REFRAIN – ALL CHOIR:

We have power, we're the police.  
And we will enforce the peace

We have power, we are the kings

Running, running, everything

Where only Demas maybe is bullet-proof

Don't fear!

Strike these rebels with everything

We're kings and chiefs, about that there'll be no fuss

*ENDING*

Rise up tomorrow, in force, and bring the rebels to us. Yeah!

*End here first Refrain*

*Repeat Refrain, Then sing ending 3 times*

Rise up tomorrow, in force, and bring the rebels to us. Yeah!

Rise up tomorrow, in force, and bring the rebels to us. Yeah!

Rise up tomorrow, in force, and bring the rebels to us. Yeah!
