

## 17. I'M KING OF THIEVES

George Zmozeck/Marcel Zmozeck

English text Buddy Axley, Jan Talafant & George Zmozeck

### Demas

I am king of all of the ugly thieves and the deceivers

I steal hope so that no one can become believers.

I know how to be the best of all the deceivers

I'm king of thieves, we make fun of believers only

I am king of all the thugs

Sex, alcohol, and drugs

You know my name is Demas, and

For you, I've passion

So love the world

And I'll protect you from salvation

So sign up for my school, for sure, I'm not a gangster

I want to help you find some shiny gold and silver

You will all leave here with much gold and silver!

### Mob – choir:

Demas, Demas, only you

Teach us dirty tricks, brand new

Welcome here, Welcome Demas!

Welcome here, Welcome Demas!

Demas, Demas, only you

Teach us dirty tricks, brand new  
Welcome here, Welcome Demas!  
Welcome here, Welcome Demas!  
Surely, you'll not let us down  
In you, Demas, hope is found.  
Welcome here! Welcome here!  
Welcome here! Welcome here!

We know how to rob and steal, even cheat with a great skill.

**Yes, even, yes, even, even to do your will**

We even, we even, even, know how to kill

Yes, even, yes, even, yes, even

Hey! Hey! Now! Let's go, Now! Let's go, seducing everybody

And drinking, and stealing, and if he wants, can even kill.

Get money, get drugs, we don't fear anyone

You have made me king, forever

We do have the victory

Now, let's go, Now, let's go, Now, let's go, Now, let's go

Hey, Hey, Now, let's go, Now, let's go, seducing everybody

And drinking, and stealing, and if he wants, can even kill.

Get money, get drugs, we don't fear anyone

You have made me king, forever

We do have the victory,

Now! Just I am, just I am, just I am, I'm the king

Just I am, just I am, just I am, I'm the king

Just I am, just I am, just I am, I'm the king

Just I am, Just I am, Just I am, I'm the king

Only me, only me, only me, [king!](#)
