

19. DEMAS - THE KING OF THE BUSINESSMEN

George Zmomez/Marcel Zmomez

English text Buddy Axley, Jan Talafant & George Zmomez

Choir:

We are the people of high class

We enjoy so, our success

Nothing is like being fat cats

Enjoying the fancy ball, dancing a jig

Come on in!

We all are dancing and leaping

We love this racket we're running

Nothing is like being fat cats

We know the best way to live happily, Happy!

We are the people of high class

We've found the very rich gold mass

We enjoy so our success

We are so crafty that we take control, control!

Choir:

Look: King Demas is coming... Demas is the one who is our king!

Demas and all choir:

Hey, Hey, Now! Let's go, Now, Let's go, seducing everybody

And drinking, and stealing, and if he wants, can even kill.

Get money, Get drugs,

We don't fear anyone

You have made me king, forever

We do have the victory

Now, Let's go, Now Let's go, seducing everybody

And drinking, and stealing, and if he wants, can even kill.

Get money, Get drugs, we don't fear anyone

You have made me king, forever

We do have the victory

Now Let's go, Now Let's go, Now Let's go, Hey!
